

WILL ENFORCE GAMBLING LAW IN THIS CITY

SHERIFF ED MALLEY SERVES
WARNING OF ENFORCEMENT
OF THE LAW

A few nights ago Sheriff Ed Malley visited the different saloons in the city and informed the proprietors that he would not allow any gambling to be carried on in Tonopah while he was serving in the capacity of sheriff. The warning was simply given as a caution and any violations will be prosecuted to the full extent of the law. Sheriff Malley stated that as gambling was prohibited by law, and as he was elected by the people of the county to enforce the law, he would do so to his utmost ability. Failure on his part would place his bondsmen liable to a suit for damages which could result from a suit brought against him for malfeasance in office.

FREIGHT RATES ARE FIFTY PER CENT LOWER

REDUCTIONS IN RATES FROM
EASTERN TO NEVADA
POINTS

WASHINGTON, Jan. 4.—Immense reductions in freight rates have been made by the railroads operating in the Rocky Mountain and Pacific regions, in accordance with orders from the Interstate commerce commission. Efforts were made to secure injunctions from the courts to restrain the commission from putting into effect its order, but they failed.

In every case the reductions affect class rates.

In what is known as the Sacramento back-haul case, the first-class rate is reduced from \$1.29 to 85 cents, and proportionately on other classes, to Reno. East of that point, the rate is fixed at \$1.15 and east of Elko, Nev., to and including Cecil Junction, Utah, it is made \$1.54.

By the terms of the tariffs filed, the rate from San Francisco to the points named is made lower than was ordered by the commission, the rate to Reno, for instance, being fixed at 97 cents a hundred on first-class freight, instead of \$1.46. In the Phoenix, Ariz., case, the charges on west bound freight in classes are reduced from all points in the east to 20 per cent.

In the famous Reno case, the reductions amount in some cases to more than 50 per cent. The old rate from Denver, Colo., to Reno, was \$4.29 on first-class freight. By the new tariff it is made \$2.10. The old rate to New York was \$4.29 and now is \$3.50. Rates from intermediate points are proportionately lower.

The railroads filed the tariffs putting into effect the new rates on January 2, 1911, and they must remain so for at least two years.

SACKING ORE FROM RICH SEAM IN THE BELMONT

STREAK CARRIES EXCEPTION-
ALLY HIGH VALUES AND IS
SENT TO SMELTER

For several days past rumors have been afloat to the effect that a bunch of miners were discharged at the Belmont mine for high-grading, but an inquiry from the mine officials was met with a prompt denial. The rumor was probably started when it became known that the mine officials were sacking ore from a seam that is estimated to average about \$5000 to the ton. The seam, which is in the big ledge on the 1100-foot level, is of exceptional richness and the ore extracted is sent to the smelters for treatment. The work of sacking has been going on for some time and the shipments carry the general average of the ore quite high.

CHAS. SMITH APPOINTED AS POLICE CHIEF

COMMISSIONERS MAKE APPOINT-
MENT AT TODAY'S
SESSION

At today's session of the board of county commissioners Charles G. Smith was appointed chief of police at a salary of \$50 per month. The board also allowed Mr. Smith the sum of \$25 for office rent, and it is probable that he will continue to occupy the same office as did his predecessor.

The clerk was notified to advertise for bids for a county physician and also for bids for furnishing groceries and drugs to the county hospital.

Mrs. Kate Court, the present matron of the county hospital, was re-appointed by the board.

A contract was let to the National Ice company for furnishing fuel to the hospital and court house for the ensuing year, as this concern presented the lowest bid.

The board will continue in session for the balance of the week and it is possible that several days of next week will also be used to clean up all the matters that have been brought up for consideration.

utes Late Is Struck By Limited and

SPOKANE, Wash., Jan. 4.—Because a Burlington passenger train was two minutes late in taking the siding at Cheney today, five men are dead, three badly injured, and two coaches are kindling wood. While rushing down the line at a speed which the brakes could not control, the north coast limited struck the waiting train a blow that crushed out the life of every man in the two Pullmans, bruised or wounded a score of trainmen and passengers, and killed C. PANIC IN CHURCH KILLS SEVENTEEN

MASS DECORATIONS TAKE FIRE
AND NEW YEAR'S CONGREGA-
TION UNABLE TO ESCAPE

News of the disaster reached the city today. The victims were working people.

The small church was packed. In the course of the ceremonies a candle fell and ignited the dry moss with which the building was decorated, and the flames spread rapidly.

Those who escaped death by burning or suffocation were injured by being trampled on in the rush through the narrow entrance.

TWO LONDON OUTLAWS CREATE GREAT FUROR

By Associated Press.
LONDON, Jan. 4.—After a day's reflection and sober thought, the opinion of London appears to be that the marshalling of a great force of the military and police to destroy a little nest of outlaws, was a mistake. It now appears that only two men held the tenement against several hundred police, two and a half companies of the Scotts guards, and a detachment of horse artillery with two machine guns and one galling gun. Only two bodies were found.

MATCH BIG IOWAN DECIDES
TO QUIT

By Associated Press.
OMAHA, Jan. 4.—Frank Gotch, champion wrestler of the world, last night turned the honor over to Yousiff Mahmoud and announced he would back Mahmoud against Hackenschmidt for \$20,000, a part of which was posted last night.

"Farmer" Burns stated that the champion is relinquishing the mat because his fiancée is opposed to his continuation at the game. Burns stated that the recent challenge to Hackenschmidt was made in good faith, but that the objections of the young lady led Gotch to reconsider the challenge, for which he had no apology to make.

Last night the Russian worked an hour in an attempt to throw Westergard twice, but failed to secure one fall. The big Dane won the match.

MANY LAUGHS ARE SURE AT THE BUTLER TONIGHT

VITAGRAPH COMEDY FILM WILL
BE THE FEATURE THIS
EVENING

Positively one of the best shows of the season will be seen by those attending the Butler theater this evening. Five pictures will be shown, as follows: "Behind a Mask," drama; "Nantes," scenic; "How Rastus Got His Turkey," comedy; "Wonderful Plates," trick picture; "Love, Luck and Gasoline," a comedy which has many and altogether novel thrills, with chases in gasoline motor boats and a wedding in a motor boat plunging ahead at full speed while the father and the discomfited lover are raging in the rear in a much slower boat. There is plenty of life in this picture and the audience will take to it very kindly and enjoy many a hearty laugh.

SITE OF THE CITY CEMETERY MAY BE MOVED

NEW SITE FOR THE BURYING
GROUND MAY BE CHOSEN
BY COMMISSIONERS

A move is now on foot to remove the city cemetery to a section of ground about three-quarters of a mile below the spot now used as a burying ground. The present graveyard is situated on ground belonging to the Tonopah Extension Mining company, and as the company is planning to operate on a section adjoining it on the west, it is desired that the graveyard be kept from encroaching on any additional territory.

General Manager John G. Kirchen appeared a few days ago before the county commissioners and at that time stated that he would donate a new plat, part of which would be given to the city and additional sections to the different societies or organizations. He further stated that the present cemetery could be kept intact and that none of the graves would have to be removed. It is probable that the commissioners, as a town board, will accept the proposition of Mr. Kirchen.

The Empire Players, who come to the Nevada theater next Monday, January 9, for a week's engagement, numbers fourteen people, including a first-class scenic artist. There are two leading men and two leading women and they alternate in the important roles. The Empire players opened their season at the Majestic theater in Reno last Christmas night and the papers there speak very highly of the members of the company.

BELMONT NOW SELLING OVER \$5 MARK

RAPID ADVANCE STARTS BE-
FORE NEW YEARS AND
STILL CONTINUES

Belmont stock appears to be the favorite in the San Francisco market and also on the Philadelphia and New York stock exchanges. According to newspaper reports from the east stockholders are disposing of Tonopah Mining for the purpose of purchasing Belmont, which accounts for the big rise in the stock. Towards the last of December Belmont was selling along at \$4.66 bid, but on Friday, the 30th, when an adjournment was taken over until Tuesday the demands for the security brought the price up to \$5 bid and sales were reported at that figure. Yesterday sales were reported on the San Francisco stock exchange at \$5.20, although the stock closed at \$5.12½ bid, \$5.15 asked. This is the first time that Belmont ever sold as high as \$5, and it is evident that the top price has not yet been reached. Should the present advance continue it will soon be crowding Tonopah Mining for the highest priced stock in the Tonopah district, and there is no reason why it should not continue to soar for some time to come.

ACCESSORY IN RHYOLITE ROBBERY IS HELD OVER

"RAINBOW" HICKMAN IS BOUND
OVER TO APPEAR BEFORE
GRAND JURY

At the preliminary hearing of "Rainbow" Hickman, charged as an accessory before the fact of the hold-up at Rhyolite several days ago, and for which crime two youths, Douthitt and Deal, are now awaiting a hearing before the grand jury, Judge Atkinson bound the defendant over to also appear before the next grand jury, which will be convened in a few weeks by Judge Averill.

According to the testimony before the justice court, it was proven that the two youths, after holding up the group of poker players, immediately went to the resort in Rhyolite conducted by Hickman. An overcoat, mask and hat worn by one of the robbers, were found in the rear of Hickman's place, while a hat containing the spoils of the hold-up was found under the rear steps. Both the youths were found in Hickman's place.

The boys stated after being brought to Tonopah that Hickman had encouraged them to hold up the poker game, although this confession will not hold when the trial comes.

Mary Dunnigan, who was with one of the youths at the time of the arrest, testified at Hickman's hearing and was placed under \$400 bonds to appear as a witness when summoned.
